

Our Guest Program

In spite of those triple steps, "arm's up", and quick-quick-slows, we here at Fred Astaire, are here to make sure that you're having the time of your life. You likely have some friends or acquaintances who would love to have as much fun as you do. The more people you could dance with at parties, classes and outings the better, right? And the benefits are endless, from better health to more self confidence to just plain old social fun. Why not bring them to one of our free Guest Open House parties!

You and your friends will enjoy a fabulous floor show (perhaps including you!), refreshments, dancing, and if your Guests come before the show, **a free class at 7:45pm!**

Your guests will be offered a Guest Special: **Two Privates, One Group, and One Practice for just \$39.00!** Once your guests sign up and take both of their private lessons, as a THANK YOU, **you will receive one complimentary private session.**

Each guest will qualify you for a free lesson if he/she:

- *Is over 18
- *Lives or works in the Pasadena area
- *Has an interest in dancing
- *Pays for the special themselves
- *Completes the entire special

So what do you have to lose? We can't wait to see you, and as you know we'll treat your friends right!

Remember that you can bring guests with you any day, not just for the Guest Open House. What a wonderful way for them to start!

Competitions & Showcases-

Competitions are an exciting part of the of the Fred Astaire Dance Studios. At the National or Regional Competitions students meet, mingle and compete with other student dancers in order to take home a Bronze, Silver or Gold Award. Participating in competitions gives every student - and student/teacher dance team - the opportunity to progress more rapidly in their dance endeavors.

Showcases are designed for students who find exhibition dancing thrilling. Special choreography is incorporated into solo or group routines to suit each student's ability and interest.

Parties & Studio Outings-

Fred Astaire Dance Studios are always bustling with events and activities. Guest Open House parties are held monthly at our studios where students can invite their friends and co-workers, who can then see for themselves how much the students enjoy dancing, and how well they are doing with their lessons. Studio outings give you a chance to try out your moves in local dance hot spots.

Fred Astaire Medalist Trophy System-

The Fred Astaire Medalist Trophy System is a unique method of dance and teaching instruction, and an exciting way to gauge progress. Depending upon the program chosen and whether or not the student progresses from one level to the next, a student could earn a coveted Fred Astaire Dance Studio Trophy presented during the studio's **Medalist Trophy Ball**.

Summer & Winter Festivals-

Our Festivals are 5 weeks of exciting activities in the studio. During this time our studio and your teachers are put into a contest with other Fred Astaire Studios for who is the most active. This contest wins you and your teacher fabulous prizes. A great way to support your teachers during this time is by sponsoring them in our festival. We will always have a wonderful theme and many costume parties for our sponsors. Check with your teachers and the front desk as the festivals draw near for more details.

Coaching Sessions-

Here at the Fred Astaire Studio in Pasadena, we take great pride in the quality of our student's dance level. One way that we highly recommend you advance your dance level is by taking a coaching session. A coaching session is a lesson with an additional set of eyes. Those eyes may belong to another in house teacher or one of our many fabulous traveling coaches. They will coach you along with your teacher in their area of expertise. We have brought in many top dancers and world renowned adjudicators to our studio. Ask your teacher how to sign up!

Dance Vacations-

One way to travel and see the world is through our wonderful Fred Astaire Competitions. However, you may also love our studio vacations. We plan out the trip to include sightseeing, dining, leisure, and most important...Dancing! Get your passport ready and join us for our next destination!
